We as a society need to conserve!  
Who do new power lines benefit? Not us!  
Not our county, let folks turn off their  
computers, lights etc. Don't think ruining folks  
lives is ok! Do you want your property values and  
maybe your health ruined? Would you want  
10 story towers in your neighborhood? I think  
not. We did not buy our property or retire here  
for someone to come in after the fact and  
do this to us and our neighbors. We do not  
want this project. No one we know wants  
it. Do you understand my stand? Think about  
it. Life is too short - greed is BAD.  
We can live without this! The greedy folks  
won't keep pushing for more money in their  
pockets. This needs to STOP!
